WHY CHOOSE US ?

- ✓ We like new challenges
- ✓ Get after sales service free for 1 year
- ✓ We are dedicated to deliver success
- ✓ Registered Business Entity

OUR SECRET STEPS TO SUCCESS

Focused on requirements-

It's our attention to the small stuff, scheduling of timelines and keen project management that makes us stand out from the rest. We are creative, while keeping a close eye on the calendar and your budget.

A plan for success-

You want results. We have found that the best way to get them is with up front research – of your company, competitors, target market and customer psychographics. Only after we fully understand you and your customers, do we recommend a plan of attack.

Creativity in designing-

We bring our diverse background of advertising, design, branding, public relations, research and strategic planning to work for your company. Not only will your materials look great – they will get results. We don't create concepts in a vacuum – they fit into the standards of your industry. And once we have a total picture of your company, its target audience and goals, we'll create a detailed plan – that also includes a commitment to stay on budget and on deadline.

Experts only-

First Impressions is comprised of specialists with corporate and agency experience that hail from various backgrounds. As such, First Impressions will never assign second-tier (or gasp! third tier!) support staff to any account.

Pricing-

Our prices are competitive and fair. There are no surprise bills. Any unexpected or additional expenses must be pre-approved by you. That's how we would like to be treated, and that is how our clients are treated.

Work with us, and you'll work with seasoned professionals – vigilant of deadlines and committed to exceeding client expectations.

Mohit Soni
(Founder & Owner)

About Founder -

The Founder is an experienced hacker & technology enthusiast with 5+ years of experience in the technology industry. At this early age he has acquired graduation in Electrical & Electronics Engineering along with CEHv10 from International Council of Electronic Commerce Consultants aka EC-Council (New Mexico).
